**Re:3 is our engagement strategy to foster successful public and private partnership connections and learning. Delivered through events, engagement tools and a dedicated website we aim to:**

- Provide the public sector with know-how and tools on how to invest in retail property assets, manage risk and personal liability, and see a return on their investment.
- Connect Local Authority decision makers with senior retail property professionals and placemakers in the investor, developer and advisory community.
- Showcase local regeneration projects and investment opportunities.
- Provide practical learning on funding models, planning and procurement, investment and partnerships.
- Deliver real-life partnership case studies and bespoke round table discussions.
- Recognise and reward original investment and ingenuity by the Public Sector to help support and enhance our retail environments.

## **Who are we engaging?**

- Senior decision makers and particularly Leaders, Committee Chairmen, Chief Executives and Chief Finance Officers from the public sector.
- Senior private sector retail property and placemakers looking to actively deliver regeneration developments with the public sector.

## Re:3 @ Revo Liverpool 2017

19-21 September, Exhibition Centre Liverpool

Revo Liverpool 2017, the UK's largest single gathering of people and businesses that together create, deliver, operate and occupy great places for work, rest and play. 2,700 senior decision makers attend and do business and learn.

Here's how public sector colleagues can get involved...

- A dedicated Re:3 meeting hub where Local Authorities can take advantage of simple, **free of charge**, branded meeting space opportunities.

- Access to the Revo 2017 seminar programme covering a range of relevant topics, such as

**Stormy waters.** The near and mid-term outlook for the UK economy and our political system.

**Who would invest in UK retail property right now?**

**Changing markets. Changing formats.** The repositioning of retail places.

**Placemaking and building emotional connection.** Good for you. Good for business. The corporate advantages to the right kind of green.

### People and goods on the move.

The importance of transport and infrastructure in connecting people and place.

**The big five.** Key trends disrupting retail

**Inspiring hospitality and leisure.** The challengers and their relevance to future retail.

**How people are changing the retail landscape.** Age is but a number in a customer journey.

- A private roundtable debate between LA Chief Executives, senior leaders and senior investors and developers (*invitation only*).
- Online connections tool facilitating the pre-arrangement of meetings.

**Take advantage of all this at the discounted public sector rate of only £175\***

Find out more and how you can get involved: [revocommunity.org.uk/revo2017](http://revocommunity.org.uk/revo2017)

## Re:3 @ The Gold Awards

Presented at the Revo Annual Dinner,  
6 December, Grovenor House Hotel, London

Our Re:generate category recognises original investment and ingenuity by the Public Sector to help support and enhance our retail environments. The entries can be physical projects, financial schemes, mentoring support or most likely a combination of all that have stimulated the retail and leisure activities within the town, city or district and should be largely complete or part of an ongoing investment plan that has demonstrable benefits.

**Discounted entry rate of just £195\***

Find out more: [revocommunity.org/goldawards](http://revocommunity.org/goldawards)

Entries close Monday 24 July.

# Re:3 @ The Vox

30 January, The Vox, Resorts World, Birmingham

- One day conference with a focussed format – morning sessions examining the themes of funding models, planning and procurement, investment and partnerships.
- Afternoon session to deliver one to one networking, presentation of future development opportunities and learning from real-life examples of successful partnerships.
- Accessible price points - £95\* for the public sector and from £195\* for the private sector.

**Every penny of every pound we generate is reinvested back into our community.**
