

Revo Annual Dinner

**There's not just a spotlight
on the winners. Become a sponsor,
and it's on you, too.**

6 December

Grosvenor House Hotel, London

Every penny of every pound we generate is reinvested back into our community!

Diary alert!

Wednesday 6 December is a date for your diary! It's an evening not to be missed.

No matter the outcome, it's your chance to shine. We have a number of high profile sponsorship packages designed to give your brand maximum exposure to this senior and influential audience. And, the flexibility to bespoke options to your exact needs.

Revo Annual Dinner and Presentation of the Gold Awards 2017.

We're connecting people and ideas, bringing together 1,000 of the most influential and inspirational players from across the retail property and placemaking community. The people and businesses that together bring the collective experience, energy and dynamism ensuring our industry evolves in constantly positive and adaptive ways.

Plus, the gold wrapper is off! We'll be celebrating the very best examples of development, investment and asset management; rewarding leading retail formats and placemaking initiatives as part of this year's Gold Awards.

We've introduced new categories, new jury members and most importantly, new voting processes. It's not just our jury who will decide this year's winners! Guests in attendance will cast the deciding vote as to who the crème de la crème of our winners truly is – the power is in your hand!

Guests at the dinner include representatives and top end decision makers from owners and developers, finance and investment, agency and management, architecture and design, retailers, press and media, local authorities, technical consultants, service providers and shopping centre management*.
